

COMPSFI 102 – Information Security Essentials

Overview

- Who Am I?
- My Journey
- Teaching Philosophy
- COMPSFI 213
- Outside of Teaching
- Expectations & Support
- Key Takeaways

Who Am I?

- Md Ali, Ph.D.
- Background
- Language Fanatic
- Passion for Science
- Role at Olive-Harvey College

My Journey

- First Generation College Student
- BS Physics and Applied Math 2019 (TXST)
- MS Cybersecurity & Digital Forensics 2020 (IIT)
- MS Computer Science (IIT)
- PhD Computer Science (Capitol Technology)

Teaching Philosophy

- I will be there (in person, emails, zoom, etc.)
 - If I don't answer within 24 hours, don't hesitate to reach out again
- Engagement
 - Cameras on, complete assignments, participate
- Practical Learning

Outside of Teaching

- Traveling
- Language Learning
- Contribution to Open Source
- Coding Projects

Key Takeaways

- “Be happy, but never satisfied” – Bruce Lee
- Remember, I will be there for you and support your goals
- Keep Trying
 - You will fail 100 times over, but it really matters about the 1 time you succeed
 - Effort is key, not just in this course but in life
